WMC LIVE

WMC Live
Women’s Media Center Live with Robin Morgan is a nationally syndicated American radio show with an international audience in 110 countries and available on iTunes and Stitcher.

About Robin Morgan
An award-winning poet, novelist, political theorist, feminist activist, journalist, editor, and best-selling author, Robin Morgan has published seven poetry collections (including her recent book of poems, Dark Matter), four novels, and eleven books of nonfiction on social justice issues—primarily feminism—including her best-seller The Demon Lover: The Roots of Terrorism, and the now-classic anthologies Sisterhood is Powerful, Sisterhood Is Global, and Sisterhood Is Forever.

Her fourth novel, Parallax, is now available everywhere.

A recipient of the National Endowment for the Arts Prize (Poetry) and numerous other honors, and a former editor-in-chief of Ms. magazine, she co-founded The Sisterhood Is Global Institute with Simone de Beauvoir and co-founded the Women’s Media Center with Jane Fonda and Gloria Steinem. An architect and leader of contemporary U.S. feminism, she has also been a leader in the international women’s movement for 35 years.

WMC Live #336: The Vice Presidency. (Original Airdate 1/24/2021)
Robin’s take on the weird, sometimes hilarious, often mocked, previously ignored office of the Vice President, and its transformation. Also, Joe Biden’s executive orders, and what’s next.

WMC Live #335: Inauguration. (Original Airdate 1/17/2021)
Robin on presidential inaugerals—the good, the bad, and the ugly—a capitol under attack and under armed guard, an embattled Republic, a previous friend, and a hinged white orchid.

WMC Live #334: A Holiday Story. (Original Airdate 12/13/2020)
After 2020—The Year We’re Delighted To Leave—Robin reads “The Handmaid of the Holy Man,” a special story from her new novel, Parallax (Sphinx Press), to cleanse the palate for 2021, and to measure the soul.

WMC Live #333: The Real Conversation: Mary Trump. (Original Airdate 12/6/2020)
The interview you won’t hear anywhere else: Robin and Mary Trump in an analysis that targets Trump’s enablers and authoritarianism—and it gets personal.
